EDUCATION

AVer Intelligent Education Solutions

CHANGING THE WORLD
ONE CLASSROOM AT A TIME

Every time we support a classroom, we continue a commitment that's been growing since 2008: a brighter tomorrow for communities across the globe. Our commitment has been the cornerstone of our business and inspires us to provide award-winning educational technology solutions to thousands of K-12 schools. Our legacy of smart, easy to use technology continues as we announce the expansion of our classroom solutions and introduce the next generation of interactive panels to the world. We believe that technology has the power to influence natural learning and innovation with our young communities and the impact of today's technology determines the brightness of tomorrow.

WHY AVER
## DOCUMENT CAMERAS?

Options to Fit Every Teacher's Needs

Dedicated Customer Support & Training

Latest Technology with Interactive Software

Flexible and Diverse Designs

"*The AVer document camera has been the best teaching tool I have ever used.*"
– *Broadneck Elementary School Teacher*

New Way of Visualizing

Open up new ways to teach and turn traditional lessons into interactive multimedia lessons with AVer document cameras!

Motivate • Captivate • Stimulate • Accelerate

AVerVision **F17-8M**
Fluid. Bright. Efficient.

F17-8M adds a new layer of interactivity and collaboration in the classroom. Combine the 8MP, 30 fps, 27.2x digital zoom camera with AVer's brilliant interactive software and you've got the whole world in your hands!

AVerVision **M70HD**
Experiential. Remarkable. Engaging.

Optimized for performance, the M70HD's robust mechanical arm can provide the most precise angle to give you the best image quality. Add 5MP, 12x Optical/16x Digital Zoom, 30 fps live video, onboard annotations in full HD and you've got a device that can zero in on all the microscopic details.

AVerVision **F50-8M**
60fps. Super smooth motion.

Images look incredibly alive from near or far with F50-8M's amazing 8MP, 10x Optical and 20x Digital Zoom camera. It's the first and only document camera to provide full HD motion in 60 fps through HDMI connectivity!

AVerVision **PL50**
Premium. Brilliant. Extraordinary.

Create a learning environment that students may not be able to experience otherwise. PL50's 5MP camera, 30fps live video at 1080p and 240x total zoom paired with dual LED light sources and integrated lightbox project stunning image quality.

AVerVision **F70W**
Future-ready. Versatile. Portable.

F70W's 12x zoom, 1080p HD document camera has wired and wireless capabilities with powerful ability to connect to both 2.4GHz and 5 GHz Wi-Fi bands. Its 8-hour onboard battery makes it the easiest document camera to move and use from anywhere in the classroom!

2.4GHZ/5GHZ

USB/HDMI
Onboard Battery

AVerVision **U70**
Simple. Powerful. Crisp.

U70 combines simplicity and low cost in a feature-rich USB document camera. Get the greatest graphics performance with U70's 8MP, 4K camera, and seamless livestreaming at 60 fps at 1080p resolution and 30 fps at 4K.

AVerVision **U50**
Effortless. Effective. Essential.

The U50 is a clean design that adds clear, live vivid images to your interactive lessons. USB powered with 5MP, U50 displays smooth 30fps video in full HD while including all the essentials at a great price.

AVER CLASSROOM VIDEO CONFERENCING
CC30 HD CAMERA
Collaboration. On Demand.

Virtually journey anywhere in the world and learn beyond the four classroom walls! CC30's video capture, conference, and livestream features combined with its ePTZ camera and 120 degree angle lens provide an immersive video experience.

AVerCharge S40i
40 Device Intelligent Charging Cart

Saves Power, Time, & Money

S40i is AVer's most efficient cart solution for large devices combining rugged design with an ingenious self-monitoring charging system to ensure even, safe charging across all classroom devices.

RUGGED, RELIABLE, SMART

NEW!

AVerCharge C20i
20 Device Intelligent Charging Cart
Game-Changer for Smaller Classrooms!

C20i's clever cable management technology and intelligent charging creates more time for teaching and less anxiety over managing devices. The small footprint provides easy storage while leaving more learning space for the classroom. It's customizable, compact, and ready to charge!

SPACE-SAVING, VERSATILE, ROBUST

AVerCharge C30u
30 Tablet Charge and Sync Cart
Less Bulk, More Purpose

C30u caters to the evolution of classroom technology and takes the work out of device management by charging and syncing 30 tablets all at once. Experience effortless cabling and simple device management with C30u's slide-out shelves and convenient USB hubs.
